

Metrologic®

ScanPal® 2

Features

- **128 x 64 dot Graphic LCD Display (backlit)**
- **CCD or Laser scan engine options**
- **1 MB for programs and 1 MB SRAM for data**
- **RS232, KBW, Infrared & IrDA interfaces**
- **Alkaline or NiMH rechargeable batteries**
- **Application generator and download software**

The ScanPal 2 is a portable data collection terminal with elegant styling. It is designed to provide high performance for all-day, everyday use. It is supported by a rich set of development tools, including 'C', 'BASIC' and a Windows-based application generator.

With its integrated Laser/LRCCD barcode scanning unit, the ScanPal 2 is ideal for inventory control, work-in-process tracking, shop floor management, asset tracking, meter reading, warehousing and distribution operations.

Accessories:

- Download/Charger Cradle.
- Dual battery pack charger (incl power supply).
- IR Transceiver.
- Protective case.
- KBW interface cable.
- Basic & 'C' development tools.
